Re: **Application of NextG Networks of NY, Incorporated d/b/a NextG Networks East for a Certificate of Public Convenience and Necessity to Provide Resold and Facilities-Based Local Exchange and Interexchange Telecommunications Services in the State of South Carolina and for Flexible Regulation**
Docket Nos. 2006-305-C

Dear Mr. Terreni:

By letter dated October 10, 2006, the Commission established prefiling deadlines by which parties of record other than the Applicant were to prefile their testimony and exhibits in the above-referenced matter on or before December 19, 2006. By letter dated December 19, 2006, after consultation with the parties of record, we requested that the Commission approve, *nunc pro tunc*, a request for extension of time to prefile such testimony and exhibits until January 3, 2007.

We have been working with counsel for NextG Networks to resolve the respective parties' concerns in this matter, and would like to continue and complete those discussions prior to filing testimony in this docket. Today, with the concurrence of parties of record, we asked David Butler, as the hearing officer appointed in this docket, to extend the time for parties of record other than the Applicant to file testimony and exhibits until Monday, January 8, 2007. Mr. Butler agreed that the circumstances of the case warrant such an extension.

Please clock in a copy of this filing and return it to us by our courier. Thank you for your assistance.

Very truly yours,

Margaret M. Fox
